Under this license, users are permitted to:

- read, download, copy, print, and share the published article for non-commercial purposes,
- distribute the article in any medium or format,
- use the article for academic, educational, and research purposes,

provided that proper attribution is given to the original author(s), the journal, and the original source of publication.

Users are not permitted to:

- conduct plagiarism screening,
- use the material for commercial purposes,
- modify, adapt, translate, transform, or create derivative works from the published material without prior written permission from the Publisher,
- distribute altered or modified versions of the article.

2. AUTHOR'S WARRANTIES

The Author(s) warrant that:

- the submitted manuscript is original work created by the stated Author(s),
- the manuscript has not been previously published and is not under consideration elsewhere,
- the manuscript does not contain unlawful statements or infringe upon the rights of third parties,
- all necessary permissions for copyrighted materials, including figures, tables, illustrations, or images, have been obtained,
- all authors have significantly contributed to the manuscript and approved its submission,
- the manuscript complies with ethical standards of scholarly publishing and research integrity.

The Author(s) accept full responsibility for the accuracy, originality, and legality of the submitted content.

3. COPYRIGHT AND PUBLISHING RIGHTS

Authors retain copyright over their published work.

By signing this agreement, the Author(s) grant the Publisher:

- the right of first publication,
- the right to reproduce, distribute, archive, index, and disseminate the article,
- the right to publish the article in printed, electronic, and online formats,
- the right to include the article in databases, repositories, indexing services, and digital archives.

The Publisher may perform technical editing, formatting, copyediting, proofreading, metadata preparation, and DOI registration necessary for publication.

4. AUTHOR RIGHTS

Authors retain the right to:

- use the published article in future books, lectures, teaching materials, and scientific works,
- reproduce and distribute the article for non-commercial purposes,
- deposit the accepted manuscript version and the final published PDF version in institutional repositories, personal websites, academic networks, and non-commercial repositories,
- use the article for academic and educational purposes with proper acknowledgment of the original publication.

The DOI link and original source of publication must always be clearly indicated.

5. PEER REVIEW, EDITORIAL PROCESS, AND AI VERIFICATION

All submitted manuscripts undergo a double-blind peer review process and editorial evaluation in accordance with the journal's editorial policies and international publishing ethics standards.

The Publisher reserves the right to:

- conduct plagiarism screening,
- perform technical and metadata verification,
- conduct AI-generated content verification,
- reject manuscripts that do not comply with editorial, ethical, or scientific standards.

The final editorial decision regarding publication is made by the Editor-in-Chief and/or Editorial Board.

6. CO-AUTHORSHIP

If the article has multiple authors, the Corresponding Author signing this agreement confirms that:

- all co-authors have approved the final version of the manuscript,
- all co-authors agree with the terms of this agreement,
- the Corresponding Author is authorized to act on behalf of all co-authors.

7. OPEN ACCESS AND ARCHIVING

The journal applies a full Open Access policy. All published articles are permanently available online without subscription or access fees.

The Publisher ensures long-term digital preservation and archiving through: Open Journal Systems (OJS), DOI/Crossref registration, institutional repositories, indexing and abstracting databases, and digital preservation systems.

8. LIABILITY AND ETHICAL STANDARDS

The journal follows the principles and recommendations of COPE (Committee on Publication Ethics), DOAJ Principles of Transparency and Best Practice in Scholarly Publishing, and international standards of academic integrity and responsible publishing.

In cases of ethical misconduct, plagiarism, falsification, duplicate publication, or serious violations of publishing ethics, the Publisher reserves the right to reject, retract, or remove the article in accordance with international ethical standards.

9. FINAL PROVISIONS

This agreement shall be governed by the laws of Bosnia and Herzegovina and the Republic of Srpska.

By signing this agreement, the Author(s) confirm that they have read, understood, and accepted all terms and conditions stated above.
